

Clean Web Economy

Let's fund culture without selling our souls.

We're building an open, ad-free web where everyone can help.

Why Now

Ads dominate the web. Platforms track us. Artists get pennies.

Who We Need

- Engineers & Sysadmins • Cryptographers • Musicians & Filmmakers • Designers & Writers •
- Lawyers & Policy Experts • Activists & NGOs

How to Help

1. Visit github.com/cleanweb-economy
2. Read the Architecture Blueprint and Roadmap
3. Pick a *good first issue*
4. Join the conversation.

Together we can rebuild the web around fairness, privacy, and culture.
